

LCA DABBLE DAY & EXPLORATION EXPO

Hands-On Learning • Discovery • Exploration • FUN!

What do milk, paper plates, food coloring, Q-tips, dish soap, coffee filters, sand, fossils, and shovels all have in common?

They all add up to an

EPIC Dabble Day

for our Kindergarten-2nd Grade Rising Knights!

DABBLE DAY

Grades K-2

Get ready to dabble, discover, experiment, and learn through play!

And what happens when we throw in balloons, tape, foil, pipe cleaners, string, magnets, spoons, cotton balls, beans, coins, tweezers, clothespins, and cornstarch?

It turns into an

EXPLORATION EXPO

for our 3rd-5th Grade Rising Knights!

EXPLORATION EXPO

Grades 3-5

Students will have opportunities for hands-on exploration, scientific discovery, and technology-inspired learning!

Event Details:
