

Day of Prayer and Service

FAQ Sheet

- 1) What are the differences from last year?
 - a) The differences from last year are that transportation is not available [so we are meeting at locations for attendance instead of at Legacy] and students get to sign up for where they want to go instead of being placed in random groups [this is a direct change from feedback].
- 2) How will I sign up?
 - a) Students/Parents will sign up on a private link that will be shared and fill out permission slips on FinalForms.
- 3) Is this a day of school?
 - a) Yes, this is a regular school day and attendance will be taken.
- 4) Is transportation provided?
 - a) No, we are not able to provide or organize transportation. There will be some projects on campus, at Athletes in Action, the Food Run, and at Legacy Village. If you take advantage of busing each day, need to be at school for the normally scheduled day, or if it is best for your family then we advise you to sign up for those options.
- 5) How do I know when to pick up my child(ren)?
 - a) The description of the project will list start and finish times, so you will be able to see that with your child(ren) when signing up. This way, you can choose a service time and location that works best for your family.
- 6) Is lunch provided?
 - a) For the most part, no. If lunch is provided that is in the project description. Otherwise, students will need to provide their own.
