College Days Guidelines

College Days are for the purpose of student visitations to college campuses. These visits should only be made to campuses of genuine enrollment interest. The purpose of the visit is to gather firsthand information about the institution's academic, social, and spiritual life.

College Days may be granted to students in grades 10 (up to two excused absences) and grades 11 and 12 (up to three excused absences).

Each student must submit a request to participate in a college day, including a parent signature, to the main office prior to the absence (the bottom section of this page).

A feedback form (the second page) must be submitted after the visit to reflect the student's itinerary while on campus, along with their impressions about the institution. ***The form must be received by the main office, along with a note from the college, university, or technical college verifying the date and time of the visitation in order for the student absence to be excused.***

Detach below and turn in to the main office prior to your college visit
