

Dear Parent,

After much prayer, evaluation, and discussion, Legacy Christian Academy has made the decision not to offer a PreK program for the 2026-2027 school year. This decision was not made lightly. Our leadership team has carefully considered our resources, space, and mission to serve families with excellence. At this time, we believe this adjustment will allow us to best steward our programs and continue strengthening the educational experience for our K–12 students.

We know that this change may impact families who were hoping to enroll their children in PreK at Legacy. Please know that it is our heart to support you through this transition in any way we can. To assist families in finding Christ-centered preschool options, we have compiled a list of faith-based preschools in our surrounding community. We hope this resource is helpful as you prayerfully consider the next steps for your family.

Memorial Preschool
Phone: 937-376-9461

We hope your family will consider Legacy Christian Academy for Kindergarten in the 2027-2028 school year. Applications for the 2027-2028 school year will open in October of 2026, and we would be honored to partner with your family when the time comes.

Thank you for your understanding, your trust, and your continued partnership with Legacy Christian Academy in our mission of *Equipping Leaders for Christ*. If you have any questions, please feel free to reach out to our Admissions Office.

Blessings,

L. Emery Nickerson, PhD
Head of School
