Get ready for big laughs and dazzling dance numbers in *Hello, Dolly!* Legacy Christian Academy is proud to announce our upcoming production of this beloved musical in April. Dolly Gallagher Levi is a spirited matchmaker who has a knack for changing lives, including her own! When she sets her sights on the wealthy and rather stubborn Horace Vandergelder, things get delightfully complicated for Dolly and a few others who cross her path along the way. With its unforgettable songs and joyful energy, *Hello, Dolly!* is a reminder that it's never too late for a fresh start.

Do you like to sing, dance, or act? Have you always wanted to try theater but weren't sure if there was a part for you? If so, we would love to have you audition for the spring musical, *Hello Dolly*! This musical requires a large ensemble, so it is a great place to start if you are new to theater. We need singers, dancers, and even students with tumbling or gymnastics skills!

Any student in grades 6-12 who is interested in auditioning for the musical should join the Google Classroom for audition information using the code ***yasdhaps***

How do auditions work?

Each student will memorize and sing a short portion of a song from the show for the audition panel. Pre-selected segments of the song will be available on Google Classroom. Students may also be asked to read from a script at auditions (this part will not be memorized).

- Join the Hello Dolly Google Classroom
- Sign up for an audition slot using the posted link in Classroom
- Download the audition materials from classroom
- Memorize the song portion and come prepared to sing it (accompaniment will be provided)

FAQs:

- Q: Will I have to sing my audition song in front of everyone at auditions?
    - A: No, you will only sing your audition song in front of the audition panel. You will have to sing in front of other students if you are invited to callbacks to be considered for a lead role in the show.

- Q: What if I'm not a good singer?
    - A: Chances are, you are better than you think! We also work with students to coach them on singing skills. Joining the ensemble is a great way to gain new skills and confidence in your singing abilities!

- Q: I'm in a Winter or Spring sport. Will I be able to participate in the musical?
    - A: Yes! I have many student athletes who also participate in drama. I work around schedules as needed. I also make sure that you only have to attend the rehearsals where your character is needed so that you don't have to come to practice if we aren't going over a portion you are in.

- Q: When will we know if we made callbacks?
    - The callback list will be posted in Google Classroom no later than Friday, December 4th.

- Q: What will we have to do for callbacks?
    - We may ask you to learn a song for a specific character or we may teach songs on the night. All students will likely read for characters that night as well. All info and resources will be posted in Google Classroom when the callback list goes up.
