Private School Transportation Request Form – School Year 2025/2026

To plan and route buses for the 2025/2026 school year, it is vital we be informed whether or not your child will need transportation. Please complete this form. Make sure to check mark the service that applies to your child.

Please return this form to your child's school on or before MAY 9, 2025. Forms received after July 25 may result in a processing and routing delay of two weeks or until August 25, whichever comes later. Transportation will not be scheduled for your child if this form is not submitted. If your child's school is out of session, you have the option of mailing the form to the above address, scanning and emailing it to rideform@gocreek.org, or faxing it to 937-429-7693.

Transfer points and routes are subject to change from year to year based on efficiency.
