CHRISTIAN ACADEMY

# What is this?

# Is there any cost?

- The cost of owning a parking spot for the 2025-2026 year is \$75.
- This amount covers the cost of materials and labor needed at the end of every school year when spaces are painted over giving a clean, fresh look to our lot.
- Payments must be made in either cash or check (*checks are made out to Legacy Christian Academy*) and must be brought to the main office by July 31.
- You must provide your own paint / any tools.

## Can I keep my spot from last year?

- Remember that this Summer, all designs will be cleared due to the resurfacing of the student lot
- Future Note: If you wish to own the same spot during the 2026-2027 school year that you claim this year, and wish to keep the image already painted, please get in touch with Principal Shaeffer ASAP.
