

Little 3D

Designer's Camp

Don't just teach them to use technology—teach them to build it.

For **Grade 4 to Grade 8**

A 3D Modeling & Printing Summer Camp for **Future Innovators!**

WHEN

July 6th to July 10th
9:00 AM – 12:00 PM

WHERE

Legacy Christian Academy

WHO

Students entering Grade 4 to Grade 8

COST

\$150
(Total for the week)

HOW THIS CAMP BENEFITS YOUR CHILD

1 Developing Spatial Reasoning

Kids learn to think in 3D, visualize from different angles, and solve problems creatively.

2 Bridging Abstract Concepts to Physical Reality

Students turn ideas into real, physical objects—making learning meaningful and exciting!

MEET YOUR INSTRUCTOR

Shawn Chen

Associate Professor of Electrical and Computer Engineering at Cedarville University

Rich experience in hands-on projects and mentoring young learners.

WHAT KIDS WILL DO & CREATE!

Learn 3D Modeling

See Your Ideas Come to Life

Hands-On Projects

Build Skills. Build Confidence. Build the Future!

Fun, Creative & Faith-Based Environment!
